*Capital letters denote home games.

MEMBERS OF PRESS, RADIO AND TV

HUBBELL FIELD – Hubbell Field, the present Michigan Tech varsity football field, has been the home of the Huskies since 1954. The field runs north and south, has steel bleachers and a seating capacity of 3,500. It is a community field, and is under the supervision of the Portage Township Athletic Field Commission. The Commission, incidentally is chaired by MTU athletic director, Ted Kearly. Houghton High School also plays their home games at Hubbell.

FACILITIES – The Hubbell Field press box is a "portable" press box since it can be taken down at the conclusion of the football season. The press box is located on the west side of the field. The seating capacity of the press box will be limited to 12 people. A seating box for the opponents' field phones is provided on the east side of the field. The press box will accommodate visiting press and radio first and visiting scouts on a first come–first served basis.

RADIO POLICY – The press box has no individual radio booths. Michigan Tech will have one radio position reserved at all times for their own radio broadcasts. Opponents' play-by-play stations must request permission to broadcast three weeks in advance of the game. Permission may be obtained by writing the office of Sports Information. Each station will be limited to two persons. Spotters are available if requested well in advance. The fee for a spotter will be $5.00.

PRESS BOX SERVICES – The Sports Information staff will be at your service upon your arrival in Houghton. We will see to it that you have the Huskies' current team and individual statistics, up-to-date rosters, starting lineups and game programs. At the half and at the conclusion of the game you will be provided with a complete, typed play-by-play plus complete team and individual game statistics. If you have any requests for other information please make your requests known and we'll gladly try to meet them.

MICHIGAN TECHNOLOGICAL UNIVERSITY

DR. SMITH

Michigan Tech was created late in the 19th century during the copper mining heyday of Michigan's Upper Peninsula. It was the State's answer to a severe shortage of mining engineers, metallurgists, and geologists.

But for the Civil War, Tech would have been the first mining school in the nation. In 1861 Governor Austin Blair approved a bill passed by the Legislature but the war blocked the necessary appropriations needed to actually put the school into operation.

In 1885 another bill was passed and $25,000 appropriated to open the "Michigan Mining School." Classes got underway the following year on the second floor of the Houghton fire station with a faculty of four and 23 students enrolled.

The first curriculum of the College included geology, mineralogy, mining and mining engineering, but even then College officials gave hints of broader fields to come. The 1886-87 catalog pointed out: "For the present, the purpose is to confine the regular curriculum to mining engineering and metallurgy."

Michigan Tech's first degrees were awarded after two years of study. Seven men were recipients of bachelor of science degrees in that first class in 1888. The following year the school's first building, now known as Hubbell Hall, was opened. It was constructed for $75,000. Today's campus valuation exceeds $50 million.

By 1891 the College had graduated 20 mining engineers, leading all other schools in the nation. Enrollment was 51, giving Michigan Tech the largest enrollment of any mining school in the nation. That year, too, the first alumni organization was created.

When Michigan College of Mining and Technology became Michigan Technological University on January 1, 1964, it marked the school's third name change since its founding in 1885.

Each change has defined and described the changes in the institution caused by its expanding educational philosophy, curriculum, and purpose.

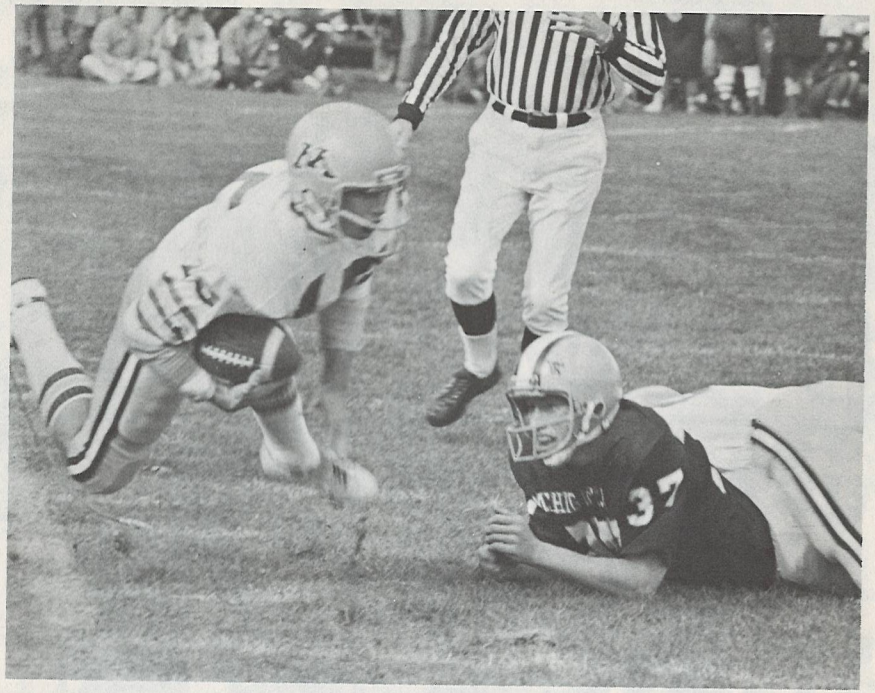
The name given to the institution in 1885 was the Michigan Mining School. In 1879, the first name change was to the Michigan College of Mines. The school again assumed another name in 1927, this time the Michigan College of Mining and Technology. Finally, in 1964 the institution attained University status when it became officially Michigan Technological University.

Throughout the long history of Michigan Tech, seven presidents have guided the growth of the school. Tech's current president, Dr. Raymond L. Smith, assumed office on January 1, 1965. Smith recently announced his retirement plans for stepping down in June of 1979.

The main academic divisions are the College of Engineering, the College of Sciences and Arts, the School of Forestry and Wood Products, and the School of Business and Engineering Administration. Degrees range from the two-year associate arts degree to the Ph.D.

More than $40 million in construction has changed the face of MTU since 1960. Recently completed is the University's third high rise, a 9-story Electrical Energy Resources Center. Also, during this period enrollment has doubled and is currently at an all-time high of over 7,000. Ground was broken late this summer for the $19 million Phase II and III of the Student Development Complex. The Student Ice Arena is Phase I.

The annual volume of research is over $2 million. In addition to individual and departmental research, Michigan Tech has five research agencies. On campus are the Institute of Mineral Research, the Institute of Wood Research, and the Institute of Accounting Research. The Keweenaw Research Center is located near the Houghton County Memorial Airport, and the Ford Forestry Center is in Alberta, south of L'Anse.



OUTLOOK

Michigan Tech's football outlook for the 1978 season is loaded with question marks. If many of the questions are answered positively, the Huskies could have a banner season.

Again this season the Huskies' attack will center around the aerial possibilities with 6-4, 220 pound quarterback Bob North, now a senior, throwing to wide receiver Don Lukas, a :04.6 40-yard man with excellent hands.

The running game could be very good if tailback Bob Tomasoski stays healthy and sophomore Clark Cryderman continues his excellent progress. Incoming freshman fullback Bill Matkin, at 6-1, 200 pounds, is expected to help the offensive backfield as well.

This backfield will operate behind a young, inexperienced offensive line and that could be the key to the season. If the line develops as expected, the Huskies' offense should carry their share of the load and that's going to be important, according to coach Jim Kapp, since his defense is going to be young and relatively inexperienced, too.

The Huskies suffered heavy graduation losses at linebacker and along the front four but return a veteran secondary. The Huskies lost three of four starting linebackers and two starting defensive linemen and finding replacements won't be easy. The losses totalled 15 years of experience.

The Huskies finished last season with a 3-7 mark and didn't like it. You can bet they'll do everything they can to improve that this season.

62 **BARRETT, DAN - OG**
6-1, 210, So., Parma, Ohio
Mechanical Engineering
Padua Franciscan H.S.
Therese A. Barrett

While he did not earn a varsity letter as a freshman, Barrett is expected to start for the Huskies this fall. He had a good spring and the coaches rate him as an excellent prospect. Three prep grid letters and all-scholastic honors at Padua.

52 **BATES, LARRY - C***
6-3, 215, So., Flint, MI
Forestry
Central H.S.
Robert and Beatrice Bates

Saw enough action last season to earn a letter and is expected to see more action this fall. Earned three grid letters in high school.

63 **BEDENIS, TIM - OG***
(ba-DEN-iss)
6-1, 200, So., Dearborn, MI
Civil Engineering
Edsel Ford H.S.
Jim and Joyce Bedenis

Earned three Blue Chips last season as a freshman and has moved into an early starting position this fall. Two prep grid letters and one track plus an "A" student are his prep credentials. He earned all-city and all-league honors at Edsel Ford.

56 **BENNETT, ROGER - DT***
6-0, 200, Jr., Hillsdale, MI
Liberal Arts
Hillsdale H.S.
Mary E. Bennett

Sustained a broken leg last season and failed to earn a letter after lettering as a freshman linebacker. He's been moved to defensive tackle this year to help shore up the line with his experience. Named Defensive Player of the Week once as a freshman. Earned 3 grid letters, capt. and MVP honors at Hillsdale.

	Solo	Ass't	Loss	Total
1976	5	23	2	28

83 **BLUST, TOM - DE**
6-1, 200, So.,
Drayton Plains, MI
Engineering
Our Lady of the Lakes
Raymond and Patrician Blust

Saw limited action last season but did take part in several games. Had a good spring and is listed as an early starter. Earned all-league and all-Catholic prep honors among several, also serving as junior class president and student council president.

75 **BOMBICH, BILL - DT***
(BOMB-bitch)
6-2, 240, Sr., Gilbert, MN
Electrical Engineering
Gilbert H.S. & Mesabi J.C.
Wm. & Annabelle Bombich

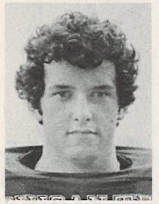
Voted the Huskies' Outstanding Defensive Player last season. He led the team in tackles with 128. Practically stepped into a starting role after transferring from junior college. Captained football, basketball and baseball teams at Gilbert, lettering also in track. Was all-NIC honorable mention last year.

	Solo	Ass't	Loss	Total
1977	10	118	6	128

59 **BUDAY, CHRIS - LB***
(BOO-day)
5-10, 195, Jr.,
Traverse City, MI
Mechanical Engineering
Traverse City H.S.
Anthony and Helen Buday

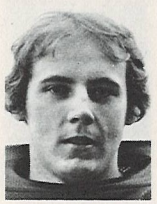
Named Defensive Player of the Week after a great performance in 35-0 win over Winona last season. Also shared Outstanding Player honors in spring. He blocked a punt and was the game's leading tackler. Finished as the team's 7th tackler and a kick blocked also. Earned seven prep letters at Traverse City, three each in football and track, one in basketball. Twice all-conference and once captain in football. He'll be one of the Huskies' starting inside linebackers this fall.

	Solo	Ass't	Loss	Total
1977	9	52	10	61



BARRETT

BEDENIS



BENNETT

BOMBICH

BUDAY

37 CAMPBELL, BILL - OLB**

5-10, 170, Jr., Pontiac, MI
Forestry
Central H.S.
Melvin and MarLynn Campbell

A starting defensive halfback last season, the aggressive Campbell has been moved to outside linebacker this fall. He's earned two grid letters at MTU so his experience should help the young linebacking corps. At Pontiac, he earned nine prep letters, earning all-area, MVP and all-county grid honors. Versatile, he's handled the Huskies' punting chores on occasion also.

	Solo	Ass't	Loss	Total
1976	8	13	0	21
1977	9	22	0	31

11 CASON, PAUL - QB

(KAY-son)
6-0, 170, So., Flushing, MI
Pre-Dental
Flushing H.S.
Earl and Norma Cason

Started the Huskies' opening game last year after Bob North's pre-game injury. He saw lots of action until sustaining a shoulder injury early in the season and sitting much of the rest of the year. He looked very good in spring practice and his speed should be effective in the Huskies' option offense.

PASSING

	Comp	Att	Int	Yds	TD	Pct
1977	12	32	5	153	0	.375

RUSHING

	Att	Yds	LG	TD	Avg.
1977	26	1	—	0	—

55 CLARK, STEVE - ILB*

6-1, 200, So., Flint, MI
Business Administration
Kearsley H.S.
James and Janet Clark

Came on strong as last season progressed, finishing with 8 tackles. He's expected to make a strong bid for a starting role as an inside linebacker this fall. Earned all-league honors as a two-way player in high school, also lettered in baseball and wrestling.

28 CRYDERMAN, CLARK - TB*

5-10, 190, So., St. Ignace, MI
Forestry
LaSalle H.S.
Mr. & Mrs. Basil Cryderman

Another player with limited college experience. Carried five times for 20 yards last season, scoring one TD. An early-season head injury hampered his progress. He has great credentials and is expected to see lots of action this fall. All-state and all-U.P. honors preceeded all-American recognition at St. Ignace. He also earned prep letters in track and basketball.

	Att	Yds	LG	TD	Avg.
1977	5	20	10	1	4.0

88 DONNELL, CLAYTON - DE*

6-1, 195, So., Battle Creek, MI
Pre-Professional
Pennfield H.S.
Richard and Jodine Donnell

Earned his varsity letter last season as a linebacker and was especially effective on specialty teams. He has been moved to the defensive end spot this season where coaches hope his speed and aggressiveness will be more effective. All-state mention and all-conference honors were his at Pennfield under coach Bob Scheloske. Also lettered in baseball (1) and wrestling (3).

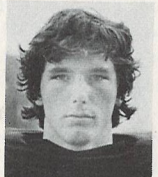
	Solo	Ass't	Loss	Total
1977	3	5	0	8

EWALD, JOHN - DT

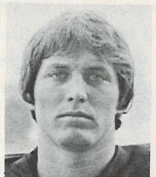
6-3, 230, Jr., Menominee, MI
Mechanical Engineering
Menominee H.S.
Mr. & Mrs. Gerald Ewald

A member of the "bandit squad" last year, he had a good spring and is expected to see lots of action this fall.

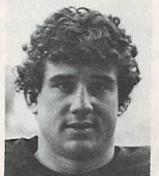
CAMPBELL



CASON



CLARK



CRYDERMAN

DONNELL

77 FOJTIK, JOSEPH - DT

(FOE-tick)
6-1, 200, Jr., Holland, MI
Mechanical Engineering
Holland H.S.
Rudy and Marie Fojtik

Earned several grid honors at Holland H.S., including offensive and defensive all-conference honors. Has developed into a contender for a starting job this fall. A transfer from Grand Rapids J.C., Fojtik should bolster the Huskies' defensive line. He is expected to give them more depth at the tackle spot than they have had in recent seasons.

3 FURNSTAHL, DOUG - K*

(FERN-stall)
6-0, 160, Sr., St. Cloud, MN
Biological Sciences
Cathedral H.S.
Charles & Lorraine Furnstahl

Handled all the Huskies' kicking chores last season. Holds the school record for longest field goal, 45 yds. in 10-6 win over Grand Valley last season. Made 13 of 14 PAT's last season. A transfer a season ago from Mesabi J.C., he has been a vital addition to the MTU offense.

	PAT-ATT	FG-ATT	LG	TP
1977	13-14	4-13	45	25

20 GERBINSKY, PETER - DHB

6-1, 165, Fr., Walled Lake, MI
Mechanical Engineering
Western H.S.

A member of the "bandit" teams last season he was named Defensive Bandit of the Week once during the season.

81 GUIDOS, GREG - TE*

(GUY-dose)
6-2, 190, So., Flint, MI
Electrical Engineering
Holy Rosary H.S.
Robert and Dorthy Guidos

Earned his varsity letter last season as a fullback but was moved to tight end in the spring to fill a void. Shoulder problem hampered most of his 1977 season. Coaches are hoping for a good 1978 after a good spring performance. Captain and MVP of high school football team, earning five prep letters.

	Att	Yds	LG	TD	Avg.
1977	4	26	9	0	6.5

65 HAHN, WILLIAM - OG*

6-1, 205, Sr., Calumet, MI
Business Administration
Calumet H.S.

Started some of the Huskies' games last season and is expected to push for a starting job this fall. Transferred to Michigan Tech from Mesabi J.C.

44 HOLLEY, BARRETT - S*

6-2, 190, So., Grosse Ile, MI
Engineering
Grosse Ile H.S.
Cyrus and Shirley Holley

Began last season as a highly-touted running back and ended the year as a gifted defensive safety. Intercepted one pass and was the top punt return man. Was on scouting team as late as third game of season before earning defensive starting assignment. Named Defensive Player of the Week in win over Ferris. Has good speed (he was a top hurdler on the track team) and likes to "hit." Captain, MVP and all-conference at Grosse Ile H.S.

	Int.	Yds.	Punt Ret.	Yds.	Avg.
1977	1	5	15	121	8.1

TACKLES

	Solo	Ass't	Loss	Total
1977	8	16	0	24

41 HUFFMAN, JEFF - DHB*

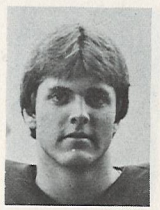
6-0, 170, Jr., Findlay, Ohio
Biology
Liberty-Benton H.S.
Tom and Nancy Huffman

Finished last season as a starter in the defensive secondary and is expected to start there again this fall. Intercepted one pass

FURNSTAHL

GUIDOS

HAHN



HOLLEY

HUFFMAN

and caused one opponent fumble and recovered another. Earned two prep grid letters, captained the team and was MVP. Also earned baseball monogram.

	Solo	Ass't	Loss	Total
1977	21	27	1	48

19 HYBZA, ROBERT - FL*
(HIBB-za)
6-4, 190, Jr., Manistee, MI
Mining Engineering
Catholic Central H.S.
Henry and Margery Hybza

Another converted player making good, Hybza began last season as a defensive back but his speed and great hands prompted a move to wide receiver. Was 2nd leading receiver on the team with 21 grabs. Can catch the ball in traffic and runs good patterns. He earned nine prep letters in Manistee-football (3), baseball (4), basketball (2).

	Rec.	Yds.	TD	LG	Avg.
1977	21	351	1	42	16.7

40 JOHNSON, MICHAEL - FB
6-0, 200, Jr., Cadillac, MI
Engineering
Cadillac H.S.
Richard and Darline Johnson

Played some two seasons ago, as a freshman but elected not to play in '77. Came out last spring and played very well. Has added some weight since freshman season and is an effective blocker. A premier member of the Huskies' ski team as well, he has been in NCAA national competition. Captain, MVP and all-conference in football at Cadillac.

	Att.	Yds.	LG	TD	Avg.
1976	3	24	18	0	8.0

47 KLING, FRANK - DE
6-1, 195, So., Livingston, NJ
Civil Engineering
Livingston H.S.
Frank and Kathryn Kling

Had a good spring and is expected to push for a starting defensive end spot this fall. Saw limited duty last year, playing mostly on the "bandit" squad. A first team all-area choice in New Jersey.

53 LAFACE, SAL - LB
5-11, 205, So., Elizabeth, NJ
Mechanical Engineering
Thomas Jefferson H.S.
Dominic and Marie LaFace

Saw limited varsity action last season, played a good share of the game against Moorhead. He's expected to nail down a starting inside position this fall. Took part in 8 tackles in '77. Earned three football letters and two in wrestling in high school, gaining all-county grid honors.

79 LINDLEY, JOHN - OT
6-4, 200, So., Pontiac, MI
Engineering
Central H.S.
Jack and Patricia Lindley

Limited varsity action last year makes him a relative unknown. However, he is listed on the early-season depth chart.

82 LUKAS, DONALD - SE***
6-0, 180, Sr.,
St. Clair Shores, MI
Business Administration
Lakeview H.S.
John and Donna Lukas

Set a school single-season receiving record with 37 catches in '77. He has been the Huskies' premier receiver for the past two seasons and is just 7 receptions shy of the school career record. He has excellent speed and great hands. Shared Outstanding Players with Buday in spring. Pro scouts will be watching him closely this fall. He's also an elusive runner.

	Rec.	Yds.	LG	TD	Avg.
1975	17	195	34	2	11.5
1976	25	412	40	2	16.5

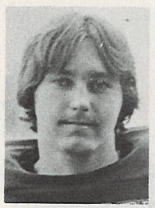
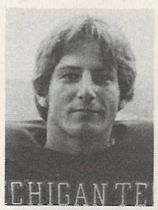
JOHNSON



KLING

LAFACE



LUKAS

26 MARTIN, KEVIN - FL**
5-10, 170, Jr., Charlevoix, MI
Civil Engineering
Charlevoix H.S.
Claire and Elaine Martin

Coaches decided to try him as a wide receiver in the spring and he fulfilled their expectations very well. A member of the track team as well, his spring drills were limited but he should do well this fall. He earned two varsity letters in the defensive secondary with two career interceptions and 51 tackles. He's one of the fastest players on the squad. Earned 11 prep letters at Charlevoix H.S.

50 MEACH, ROBERT - OG
6-0, 200, So.,
Bloomfield Hills, MI
Engineering
Seaholm H.S. (Birmingham)
Stuart and Judy Meach

Limited varsity experience in '77 but could earn a starting spot this fall. Captain and MPV on high school squad.

24 NOORDHOFF, DOUG - TB*
6-0, 195, Jr., Norway, MI
Computer Science
Norway H.S.
Robert and Phyllis Noordhoff

Began last season as the Huskies' starting tailback, gaining 117 yards in the UMD opener. Saw lots of game-time until a head injury at mid-season curtailed his playing time. Finished the year with 335 yards and 1 TD. He was the top kickoff returner and completed his only pass for a 37-yd. TD. Earned letters in track and football at Norway H.S.

RUSHING

18 NORTH, ROBERT - QB***
6-4, 205, Sr., Harbert, MI
Biology
River Valley H.S.
John and Cleo North

Pre-game warm-up ankle injury in season-opener sidelined him for half of last season. Was at full strength for only a couple of games, yet led the team in passing. Was named the Offensive Player of the Week in Ferris win after a 160 yd., total offense performance. He's currently the top percentage passer in MTU grid history with a .512 completion mark. His size and throwing arm have attracted plenty of pro attention. Was MVP at River Valley H.S. three times and earned a total of 7 letters there.

PASSING

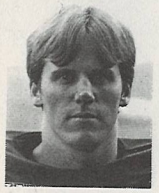
	Comp.	Att.	Int.	Yds.	TD	Pct.
1975	14	31	5	244	4	.452
1976	23	49	3	440	1	.469
1977	52	94	6	651	4	.553
Career	89	174	14	1,335	9	.512

92 SEGEDI, JOHN - DE
5-10, 185, So.,
Dearborn Hgts., MI
Mechanical Engineering
Crestwood H.S.
John and Pat Segedi

Saw limited action last season but could be a starter this fall. Listed high on the early-season depth chart. Earned baseball and football letters in high school, serving as captain in each as a senior.

36 SKOLASKY, JIM - DHB***
6-0, 170, Sr., Kalamazoo, MI
Mechanical Engineering
Central H.S.
Stella Skolasky

One of three secondary veterans, he should help provide stability to defensive unit. Has a total of four career interceptions, including one in '77. A sure tackler, he has



MARTIN

NOORDHOFF

NORTH

SEGEDI

SKOLASKY

excellent speed and range. Took part in 26 tackles last season. Football and baseball were his high school sports, was grid captain as a senior there.

TACKLES

	Solo	Ass't.	Loss	Total
1975	3	14	2	17
1976	8	22	0	30
1977	10	16	1	26
Career	21	52	3	73

73 SOUTHWARD, MIKE - OT*

6-2, 230, So., Flint, MI
Business Administration
Holy Rosary H.S.
Carl and Betty Southward

Played enough last season to earn a varsity letter as a freshman. Listed on early-season depth chart as a starter. Quick and strong, he's one reason the coaches think the offensive line will be better this year. Lettered in football, track and hockey at Holy Rosary, earning all-state MVP and all-conference while captaining grid team as a senior. One of 8 children in the family.

43 STEVENS, SCOTT - SE

5-11, 155, So.,
Battle Creek, MI
Forestry
Pennfield H.S.
Orville and Dorothy Stevens

Served most of '77 on "bandit" squad and earned Offensive Bandit of the Week award before Winona victory. They're grooming him to replace Lukas. He has good speed and hands. Played for assistant coach Scheloske in high school where he earned letters in football (2), baseball (2) and basketball (2).

70 STONE, GREGORY - OT

6-2, 215, So., Elkhart, IN
Forestry
Central H.S.
Jack and FloraLee Stone

A good spring and excellent prep credentials have helped move him to the top of the early-season depth chart. He saw limited action in '77 but is expected to shore up the young offensive line. An all-conference tackle in high school, he earned letters in baseball and wrestling as well.

15 STOOLMILLER, KARL - S

5-9, 160, So., Troy, MI
Mechanical Engineering
Athens H.S.
Mervyn and Mary Stoolmiller

A member of the scouting teams last year he is vying for a regular spot in the defensive secondary this fall.

38 TOMASOSKI, BOB - TB**

6-0, 190, Sr., Gaastra, MI
Chemical Engineering
West Iron County H.S.
Ray & Bea Tomasoski

Off-season knee surgery slowed his start in '77. His first action came in 3rd game, vs. Grand Valley. He was named team Back of the Week in all three '77 wins and was Offensive Player of the Week in win over Winona when he rushed for 114 yards and 2 TD's. Named U.P. Back of the Year in '74 as a prep senior, earning all-state honors as well. Lettered in track also at W. Iron County. Is expected to be the Huskies' No. 1 tailback this fall.

RUSHING

	Att.	Yds.	LG	TD	Avg.
1976	44	196	28	4	4.5
1977	142	665	51	6	4.7
Career	186	861	51	10	4.6

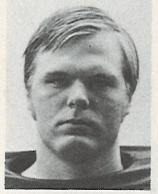
60 TRIGG, MICHAEL - C**

6-0, 210, Jr.,
Crescent Springs, KY
Forestry
St. Xavier H.S.
William and Janet Trigg

A starting guard for the Huskies in '77, "Trigger" was moved to center in the spring.

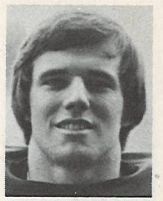
SOUTHWARD

STEVENS



STONE

TOMASOSKI



TRIGG

Performed very well and will be there again this fall. He lends experience to an otherwise young offensive line. Off-season job as taxidermist is a hobby as well. Lettered in football and track at St. Xavier H.S.

48 WILLIAMS, LARRY - LB*

6-0, 190, Sr., Mayodan, NC
Business Administration
Madison H.S.
Larry and Rebecca Williams

Earned a starting assignment as an outside linebacker last fall after transferring from Lees-McRae J.C. Led the team in pass interceptions with 4 and was 4th in total tackles with 77. Has good speed and loves to hit. Interceptions not surprising since he was leading receiver in high school. He also lettered in track and wrestling, earning conference honors in each. Fans should hear his name a lot this fall. He also caused 3 fumbles and recovered 3 in '77.

HEAD COACH JIM KAPP

Jim Kapp, the 38-year old mentor, begins his sixth season as the Huskies' grid boss. He was named to the position on February 12, 1973 after serving four seasons as an assistant to then head coach Ted Kearly.

He arrived at Michigan Tech in 1969 as the offensive line coach and was the prime architect of the "scramble block" that helps the smaller Huskies neutralize many larger opponents week in and week out. For three seasons he worked with the line and was the offensive coordinator before being moved to a similar post with the defense in 1972. He liked the change, feeling it "gave me a better perspective of the game as a whole." He still likes the offensive side of the line, though and that's generally where you find him in practice. A former collegiate lineman at the College of Wooster, he naturally leans toward the Huskies' offensive line in drills.

Kapp didn't take long to establish himself as a fine head coach, guiding the Huskies to a perfect 9-0 season in 1974, his second season at the helm. He was named Northern Intercollegiate Conference Coach of the Year that season as well. His five-year won-lost record is an impressive 31-16-1.

A native of East Liverpool, Ohio, Kapp had a promising grid career cut short by a knee injury. He was a guard at Wooster. During his four-year stay at Wooster, from 1958 to 1962, he also participated in the varsity wrestling program. Upon graduation in 1962, armed with a BA in physical education, Kapp taught PE and social studies in the Willard (Ohio) Community School District while coaching football, basketball and track.

In 1964 Kapp gained a graduate assistantship at Eastern Michigan University pursuing a graduate degree in education administration. While at EMU he was the freshman football line coach and did some scouting for the varsity program. He obtained his MA in education administration from EMU in 1965.

Kapp's next stop was the Rochester (Michigan) Community School system where he taught physical education and assisted in football, basketball, wrestling and track. He was elevated to the head football post at Rochester High School in 1968 and coached them to an 8-1 record and the championship of the rugged Oakland "A" Conference. The following summer he accepted a position at Michigan Tech.

Kapp and his wife, Kathy, have two sons, Jim Jr. and Jeff, and reside in Houghton.

THE STAFF

TOM DANNA – Danna served as the Huskies' track coach also. After a high school career at Battle Creek Central H.S., he enrolled at Eastern Michigan University in 1964. He spent two years there, pursuing a degree in history and health education before enlisting in the U.S. Marine Corps for a two-year hitch. He was a starter in the Hurons' freshman team defensive secondary during his freshman and sophomore years. After his USMC discharge in 1968, he returned to EMU to complete his degree requirements and obtained his B.S. in 1970. A five-year stint as head track and assistant football coach at Sacred Heart H.S. in Dearborn preceeded a one-year term as head football coach at Oxford (Mich.) H.S. for the 1975-76 season. He and his wife, Nancy, have two sons, Jon and Joseph. Danna is the Huskies' defensive coordinator.

BILL BYE – Bye joined the staff at Michigan Tech in August of this year as head track coach. He will assist the football staff as the offensive backfield coach. He played football at Minnesota Duluth, earning four varsity letters as a linebacker. He did not see any action in his junior season at UMD due to a broken leg, but lettered anyway. After graduation from UMD he coached football, baseball and boys' "B" basketball at Stephens (Minn.) H.S., posting a two-year football record of 9-9. In 1976 he enrolled in graduate school at St. Cloud State, where he served as a graduate assistant in football for two years while obtaining his MS in Health and Physical Education. In January of 1978, Bye accepted a temporary position at Minnesota Morris as head track and assistant football coach.

BOB SCHELOSKE – Joined the Michigan Tech football staff in the summer of 1976 after a seven-year apprenticeship in the Michigan prep ranks. He spent three seasons as the assistant in charge of offense at Aquinas H.S. in Southgate, before assuming the head coaching duties at Pennfield H.S. in Battle Creek in 1972. His four-year record at Pennfield was 18-21 but his first year there was a disheartening 1-8. He coached Pennfield to their first winning season in a decade with a 5-4 mark in 1974 and repeated the feat in 1975. While at Aquinas the team won the Catholic League "A" West title in 1970 and again in 1971.

Scheloske was born in Cleveland, Ohio, but attended Catholic Central H.S. in Monroe, Mich. He attended Eastern Michigan University where he earned three varsity football letters as an offensive tackle. He earned his B.S. in physical education from EMU in 1969 and his MA in guidance and counseling in 1974.

He and his wife, Mary, have two children, Jim and Lynn. They reside in Houghton.

Scheloske is the Huskies' offensive coordinator.

THE STAFF

Thirty-seven years of dedicated service to the Huskies.

SHELDON "MOOSE" LARSON
(Thirteenth Season) — EQUIPMENT

"Moose" has been associated with Michigan Tech since 1958. At that time he was an instructor in the Air Force ROTC program and was the coach of the MTU Rifle team. In 1966, he retired from Air Force duty after a 20-year career that took him from Texas to Alaska.

Larson also handles the duties of coaching the school golf team in addition to his full-time responsibilities as equipment supervisor.

HOWARD MARTIN
(Fourteenth Season) — EQUIPMENT

Martin, a native of Hancock, has been an integral part of the Michigan Tech athletic program since 1964. A Navy veteran, he is Larson's assistant in the equipment room during football and basketball and serves as the head man for the hockey equipment. He is in charge of the repair work on all equipment in addition to duties involving inventory and record keeping. He is also in charge of the video-tape machine used during many of the athletic practice sessions.

RANDY OWSLEY
(Tenth Season) — TRAINER

Owsley is a native of Pekin, Indiana and came to Michigan Tech from graduate school at Western Illinois where he served as a graduate assistant in athletic training. His undergraduate days were spent at Taylor University in Upland, Indiana, where he was very active in campus life and was listed in Who's Who in American Colleges and Universities.

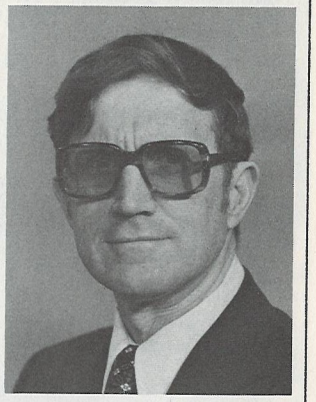
LARSON

MARTIN

OWSLEY

ATHLETIC DIRECTOR

Ted Kearly



After fashioning a four-season won-lost record of 29-7 as head football coach, Kearly was named to succeed the retiring athletic director, Al Bovard, on December 30, 1972.

The Huskies' football accomplishments under Kearly are noteworthy. In four years, the Huskies won two conference titles outright and shared the crown on another occasion. The one season they did not win the crown, their lone loss in an 8-1 year was to the eventual winners. The Huskies were runnersup in 1971.

Success just seems to follow Kearly's athletic career. A native of Alpena, Michigan, he was an outstanding prep athlete in both baseball and football, gaining all-state mention on the gridiron.

One name stands out in Kearly's mind as an influence on his athletic career, that of his high school coach, Bob Devaney, former coach and current athletic director at Nebraska. It was Devaney who influenced Kearly's enrollment at Michigan State after serving a two-year hitch in the Army. Kearly had begun his coaching career early, coaching the Ft. Leonard Wood Combat and Command Reserves from 1952 to 1954, and he liked it. Devaney moved from Alpena to Michigan State and Kearly became a student at MSU upon his discharge. It's ironic that although Kearly's later success would come in football, his most notable impact on sports at Michigan State was in baseball where he was one of the team's top hitters. He was the Clarence "Biggie" Munn Award winner as a senior with the team's top batting average.

A two-year coaching job at Woodland, Michigan was the beginning and from there he moved to Cheboygan, Michigan for five seasons. He coached Cheboygan to two straight grid titles and posted the school's first unbeaten season, 8-0, in 1963. He also coached the track team to three conference titles.

A one year stay at Winona State College preceded his move to Michigan Tech in March of 1967 as offensive line coach. In the spring of 1969, he was assigned to the offensive backfield and in the summer of that same year, accepted the head coaching position.
